

Dear Students,

Kindly be informed that Cyprus University of Technology, dedicated to increasing its international outlook, is currently informing us about a number of Traineeship positions related to administrative activities as well as research and laboratory based work in its various Departments.

All available traineeship positions and relevant description can be found at <http://erasmus.cut.ac.cy/smt-student-mobility-for-training/> as well as on the EU platform erasmusintern.org at <http://bit.ly/2dpzILn>

Interested applicants are welcome to spend 3-6 months in the city of Limassol <http://allaboutlimassol.com/en/>

Interns are expected to be financially covered via their Sending Institutions under the Erasmus+ Program.
