<b>Short Description of the Company</b>	LinkedAge offers online booking of accommodations in hotel-like senior resorts worldwide, as well as creates networks, increases mobility and promotes social inclusion of elderly. Currently you can choose from 120+

	<p>Senior resorts in 20 Countries on four Continents.</p> <p>LinkedAge received an award for best business idea in Slovenia 2013. Towards the end of 2014, the team was invited to participate in Axel Springer Plug and Play Accelerator in Berlin (Batch V).</p>
Other	<p>LinkedAge is not only a platform, but it is a communication tool offering luxury retirement facilities a distribution channel to sell and promote their vacancies to seniors that are willing to travel for more accessible fares compared to hotel industry and to seniors with possible impairments which can easily be addressed in this type of facilities. At the beginning, we started with offering to seniors already living in retirement communities the possibility of exchange for a shorter period. However, a great potential of being the first player on the market showed up with the booking of vacancies in luxury senior living facilities around the globe, therefore this became the core business of LinkedAge</p>
