

FASHION RETAIL INTERNSHIP

Baltika Group is a fashion retailer operating five retail concepts: **MONTON**, **MOSAIC**, **BALTMAN**, **IVO NIKKOLO** and **BASTION**. Group brands are represented in Eastern and Central Europe.

Baltika employs a vertically integrated business model which means that the Group controls all stages of the fashion process: design, manufacturing, supply chain management, distribution/logistics and retail sales. Such a model enables Baltika quickly respond to customers' needs and wishes.

If you want a future in the fashion industry, are willing to learn, initiative, entrepreneurial and truly interested in fashion, make the first career step at Baltika! We are offering internships and consider every Intern as potential colleague!
