Christos Papanikolaou

Is the Owner and CEO of OPTO HELLAS medical company.

Born in 1975 in Katerini Pierias, he studied Optometry and Optics in Germany where he make his Meister title in IFB Karlsruhe .

OPTO HELLAS is a leading provider of medical instruments, implants and consumables for ophthalmology , plastik surgery, dermatology and orthopedics.

Established was at September 2000 and after 13 years is one of the most growing medical companies in the territory of Balkans and South East Europe.

Through synergies and networking the family owned company OPTO HELLAS is growing rapidly every year in new markets and gains the respect of the medical companies around the world.

Mr.Papanikolaou is Executive Member of B.o.D in Greek International Business Association (S.E.V.E) and Head of the SEVE next Generation (Sevenangers).
